<i>Funding Source</i>	<i>Local Share</i>	<i>Budgeted?</i>
Grant – NYSOILS	0%	Yes X No

Director’s Comments:

This is a roll over distribution grant from Distribution #9 in the same funding amount. The reimbursement funding in Distribution #12 will be allocated 100% to a full time family court position, covering the difference in salary and benefits from a ¾ time position which was increased to full time in 2014.

Ms. Quintilone reviewed the correct grant contract term and amount for approval.

*Motion: Mr. Schuster moved and Mr. Falk seconded to approve the foregoing resolution.....Carried.*

**Pre-approved Informational Item(s) To Be Reported**

1. Joint departmental updates for the Public Defender and Conflict Defender Offices, including ILS funding, staffing/hiring, indigent defense changes & updates. Ms. Quintilone gave a brief departmental update. Ms. Quintilone reviewed current grants and grant funding opportunities she will be working on with Mr. Dadd. There are always three distribution grants going in any calendar year. We are in the fifth year of the Hurrell-Harring funding. Ms. Quintilone reviewed the information received at the recent New York State Defenders Association Chief Defenders Convening meeting. ILS will be offering a two year extension for any county that have not spent down their Hurrell-Harring funds. We received \$5,862,321.95. The build out of the Public Defender’s Office, Conflict Defender’s Office and comprehensive conference training room both offices to share will be a big portion of these funds. It is anticipated that ILS will do a three year rollover contract once the original funds are spent down which could be up to our year 5 funding amount of \$1.9 Million. Ms. Quintilone reported that her office is down attorneys. There have been multiple venues used for continuous recruitment postings since January. Ms. Quintilone reviewed which cases each attorneys is handling in her office. Ms. Quintilone reviewed a new assigned counsel rate change decision for downstate that occurred last week. It is expected that this rate or close to it will also be done for the upstate assigned counsel rate. Mr. Dadd explained that this is a very large jump from \$75 to \$158. The last time those rates were raise was 2004 as the result of a lawsuit. While this does not affect us yet, it is likely coming via a lawsuit or codification by the legislators. Mr. Dadd reported that everyone is having difficulty finding an attorney. Mr. Dadd reported that his office is fully staffed at this time and reviewed which cases each attorney is handling in his office. Bail reform is an ongoing issue that the legislators seem to be correcting as it goes. The hourly rate change only affects anyone assigned by the court and is retroactive back to February. There are some upstate judges granting vouchers on extraordinary measures granting \$150/hour that would bind the county to pay bill because it is an order from the court. Ms. Quintilone reported that attorneys have begun attending various trainings throughout the state. Ms. Quintilone credited Kate Hill on working with her for a paid intern program. The current intern is working out very well and has shown interest in continuing to work for the county.
