GENESEO ACTIVE TRANSPORTATION PLAN

January 7th, 2020 from 5:00 PM - 7:00 PM
Geneseo School District Main Cafeteria

The Geneseo Active Transportation Plan builds upon previous planning efforts to propose enhancements to the **pedestrian, bicycling, and public transportation** networks throughout the Town and Village of Geneseo. Please join us at this informal open house to provide your feedback on **conceptual recommendations**, which include on-road bicycle facilities, intersection enhancements, additional sidewalks and crosswalks, and an improved connection to the Genesee Valley Greenway. Your input will help determine and prioritize the recommendations included in the final report, which will serve as a **blueprint** to guide future infrastructural and policy improvements in Geneseo. The Plan is a partnership between the Town and Village of Geneseo, Livingston County, the Genesee Transportation Council, and Barton & Loguidice.
