Livingston County Department of Health to Offer COVID-19 Vaccination Clinics for Residents in Phase 1A

Mount Morris, NY, January 5, 2021 — The Livingston County Department of Health (LCDOH) has received the [Moderna](#) COVID-19 vaccine to be given to individuals in Phase 1A of [New York State's COVID-19 Vaccination Program](#).

The prioritized populations in [Phase 1A](#) include:

- All outpatient/ambulatory front-line, high-risk health care workers of any age who provide direct in-person patient care, or other staff in a position in which they have direct contact with patients (i.e., intake staff)
 - This includes, but is not limited to, individuals who work in private medical practices; hospital-affiliated medical practices; public health clinics; specialty medical practices of all types; dental practices of all types; dialysis workers; diagnostic and treatment centers; occupational therapists; physical therapists; speech therapists; phlebotomists; behavioral health workers; and student health workers;
- All front-line, high-risk public health workers who have direct contact with patients, including those conducting COVID-19 tests, those handling COVID-19 lab specimens and COVID-19 vaccinations;
- Home care workers and aides, hospice workers, personal care aides, and consumer-directed personal care workers; and
- Staff and residents of nursing homes, skilled nursing facilities, and adult care facilities.

Click [here](#) to access the New York State “Am I Eligible” tool that will help you determine when you are eligible to receive the COVID-19 vaccine. If you are eligible, the tool will connect you to locations, and you will be allowed to schedule an appointment.

Beginning January 6, 2021, LCDOH COVID-19 vaccination clinics will be held Mondays – Fridays, 11AM – 2PM in the auditorium located at 1 Murray Hill Drive in Mount Morris. These clinics are currently for all those listed in Phase 1A. There will be no out-of-pocket expenses to be vaccinated. Please bring a photo ID and proof of employment. Visit the [Livingston County COVID-19 Vaccine Information webpage](#) to schedule an appointment for the COVID-19 vaccination. YOU MUST HAVE AN APPOINTMENT. NO WALK-INS.

If you have a fever, cough or trouble breathing, please call your health care provider for an assessment of your symptoms. If you feel as though you may have had exposure to COVID-19, please call LCDOH at 585-243-7270. Call 1-877-280-6775 if you would like general information on COVID-19 or to learn how to volunteer. Livingston County Mental Health has created a help line for community members who need someone to talk to during these stressful times. This is a free and confidential service. Please call 585-243-7251, Monday – Friday from 9:00AM – 5:00PM. For COVID-19 information, please visit Livingston County’s dedicated COVID-19 [webpage](#) and join us on [Facebook](#), [Twitter](#) and our [YouTube channel](#).
