### NYS Running Professional Opportunities Test!

New York State Civil Service will be holding their Professional Opportunity test (test will be an on-line skills assessment). This test is only given once every 4 years. Normally, when you apply for a civil service position, you have to take a test geared toward that ONE position. The Professional Career Opportunities (PCO) examination is **one test** that state agencies can use to fill more than **180 different entry-level professional job types** across a wide range of disciplines such as Human Resources and Training; Service Regulation and Compliance; Corrections and Criminal Justice; Environment; Natural and Physical Sciences; Accounting, Auditing and Finance; Health and Human Services; Communications, Marketing and Public Relations; Transportation, Administrative Operations; Economics, Research and Statistics. **(See end of Newsletter for full list)** Link to Announcement: <https://www.cs.ny.gov/pco/>

Job seekers with a **bachelor's degree** can take the PCO examination for consideration of employment with New York State government. Job seekers that anticipate having a bachelor's degree by June 30, 2023 can be admitted to the test but will not be considered for appointment until the date the degree is received.

The deadline to apply for the 2022 PCO examination is November 30, 2022. Once you apply, the deadline to submit the examination is December 15, 2022.
