# PESH Firefighter Seminar: Myth vs. Fact

**June 8, 2023**

**6:00 to 9:00 p.m.**

**Geneseo Riviera Theater - 4 Center St, Geneseo**

How many times in the Fire Service have you heard the phrase,  
*"Because we've always done it that way"?*

Jennifer Puerner, of the NYS Public Employee Safety & Health Bureau, will shed light on:

- What training is required?
- What standards apply?
- What needs to be done annually – or not?
- What mandates are actually real?
- What records do we need to keep and for how long?
- How long is turnout gear good for?
- Bailout systems requirements

and everything else that sometimes becomes "rules".

This informational presentation will provide answers to many of your questions, and is open to ALL Livingston County Fire Department members.

**Pre-registration is required.**
