

Livingston County
Office of Emergency Management
Andrew Brodell, Director

Hazardous Materials Incident Command

will be held at the:

Center for Emergency Operations & Training
3360 Gypsy Lane Mt. Morris, NY
on the following 2024 dates:

Mondays & Wednesdays

2/26, 2/28, 3/4, 3/6

6 to 10 p.m.

Provides the hazardous materials incident commander with the skills necessary to successfully and safely manage the incident. Includes the need for an organized approach to managing hazardous materials incidents; the required elements for an employer's emergency response plan; site-specific, pre-incident emergency planning; and incident analysis. Also included are: the development of site safety plans; strategic goals for hazardous materials incidents; and the development of a plan of action, its application, and the tactical objective needed to accomplish the strategic goals.

Instructor: G. Kibbe
